

SPONSORSHIP OPPORTUNITIES 2019 NCA GREAT ESCAPE TO MAINE

The Maine Campground Owners Association and The Northeast Campground Association are excited to announce the next stop of the NCA Great Escape tour. On September 17 & 18, 2019, NCA members will be gathering in Casco, Maine for two great days. Campgrounds from across the Northeast will travel to our host property, Point Sebago Resort for fun times and friendship to celebrate the close of the summer camping season in the Northeast. This annual event has been bringing campground operators together since 1984 and NCA is very proud of this tradition.

This is a great opportunity for your business to be a participating sponsor and be visible to all in attendance. Interested campgrounds can also support the event through sponsorship. Over the past several years an average of 50 campgrounds have participated in a single fall get-a-way and MECOA and NCA will work diligently over the next several months to bring even more to this Escape.
