Why Lancaster Log Cabins?

Lancaster Log Cabins has been in the log cabin industry since 1990! We pride ourselves in providing quality park model cabins at a fair price with great service. We are a family business with Amish background that believes in working hard and doing the right thing 100% of the time. We strive to make long lasting relationships with our customers and provide a product that is guaranteed to please.

What is a Park Model Cabin?

A Park Model Cabin is a finished cabin on a trailer frame. Turn-Key! It's basically like a glorified mobile home. Everything is done for you from the plumbing to the furniture. It is truly a complete package.

Benefits of a Lancaster Log Park Model Cabin

- *We use all real logs! No log siding*
- *Turn Key! Ready to live in or rent out the next day*
- *More rustic and appealing than other park model cabins*
- *More durable and longer lasting (They'll last a lifetime)*
- *Less maintenance*
- *Practical designs*
- *Easier to finance*
- *No permits or added property taxes*
- *Best of all, they're more affordable than other park model cabins*

Lancaster Log Cabins Interlocking Log System

Our interlocking design increases the overall strength and durability of our log cabins. It also provides a weather tight seal. No leakage! Every log is kiln-dried and treated with stain on the outside and polyurethane on the inside. We also put insulation strips on every course to provide a weather tight seal.

Benefits of Lancaster Log Cabins Real Logs

- Durable
- Last a lifetime
- Kiln-Dried (Very little shrinkage)
- Stays weather tight
- Appealing
- Rustic feel
- Little Maintenance
